

Bulk AT&T U-verse®

Ordering Instructions

STEP 1

Choose your AT&T U-verse package

- AT&T U-verse Bulk Services ([AT&T Internet 50](#), [AT&T U200](#), [HD](#)) are provided through [BRYTAN](#)
- Determine which products you want to add to your package - upgrades will be billed directly to you on a monthly basis by AT&T

STEP 2

Place your order

- Call 1.866.299.6824 – you **MUST** call this number to place your order for both the standard package and/or upgrades
- Advise the AT&T sales representative you are a Bulk Customer at [BRYTAN](#)
- Make a note of your installation date & billing account number, or BAN#. (You will need your BAN number to reference your account later)

STEP 3

Installation Date

- A decision maker, age 18 or older, must be present for the duration of the installation – service will not be installed unless a decision maker is home
- Call 1.866.299.6824 if you need to change your installation date (Installation may take up to 6 hours)
- Active DSL lines will be disconnected
- Make a note of your account passcode at time of installation
- Check all services to ensure they are working **BEFORE** the technician leaves

STEP 4

Bulk Services

- Provided through [BRYTAN](#)

AT&T Bill-Upgrades

- Any upgrades over the Bulk Services will be billed separately to you on your monthly AT&T bill
- The rate billed will be the retail pricing difference from your bulk package and the upgrades you have selected

NOTE:

You cannot include any payments to [BRYTAN](#) for the bulk services with your AT&T bill payment, and you cannot include your AT&T bill payment with any payments to [BRYTAN](#)

STEP 5

Billing Questions

- Call 1.866.299.6824 for billing questions – **do not call the number on your bill.**
- Have your BAN# ready to give to the representative

¹ Total Home DVR functionality is available on up to 8 TVs, and requires a receiver for each additional TV at **\$10/mo.** **Upgrades to additional channels and Internet speeds are billed separately and directly to the subscriber. Upgrades are billed at the difference between the retail price for the retail service that is the equivalent of the bulk service and the upgrade service. **Wireless Receiver:** A one-time fee of \$49, and monthly recurring fee of \$10, per wireless receiver applies; power outlet and connection of receiver to TV required; limit 2 per household; go to att.com/freedom for details. **Internet Svc:** AT&T Internet, formerly known as AT&T U-verse, is High Speed Internet provided over an advanced digital network. Internet speed claims represent maximum network service capability speeds. Actual customer speeds may vary and are not guaranteed. Actual speeds vary based on factors including site traffic, content provider server capacity, internal network management factors, device capabilities, and use of other U-verse services. Max speeds may not be realized if 2 or more HD shows viewed at same time. **For more info, go to att.com/speed101.** **AT&T Phone:** Service is provided over an Internet Protocol connection and powered by electricity in your home. Service, including 911 dialing, will not function during a power outage without battery backup power. It is your responsibility to purchase any necessary battery backup units for your service. See att.com/batterbackup. **Phone Unlimited North America:** Includes unlimited nationwide calling within the U.S., plus calls to Canada, Mexico and U.S. Territories, otherwise, per-minute rates apply. An add'l per-minute rate applies to international calls terminating on mobile phones. **All Offers:** Offers may not be combined with other promotional offers on the same services and may be modified or discontinued at anytime without notice. AT&T employees or retirees not eligible for promotional offers. Subsidiaries and affiliates of AT&T Inc. provide products and services under the AT&T brand. ©2018 AT&T Intellectual Property.
